Disclosure Notice: Please note that your responses to the above application questions may be disclosed to the public under Washington State law. The Personal Information form (page 4), however, is not subject to public disclosure.

If you have questions about the Bicycle and Pedestrian Advisory Group or the process, contact Alicia McIntire, Transportation Senior Planner, Public Works, 206.801.2483.

The Bicycle and Pedestrian Advisory Group will be advisory to staff. The group will not be asked to make recommendations, but provide ideas and feedback to staff. The Group will include a diverse mix of residents. Staff will select group members based upon geographic location, length of residency, and experience with bicycle and pedestrian activities - both short and long term. The duties of the Bicycle and Pedestrian Advisory Group will include:

- Identifying the City's bicycle and pedestrian network, including riding or walking the system.
- Provide ideas regarding signage and markings for bicycle and pedestrian facilities, including wayfinding throughout the City.
- Discuss project and program priorities for the City's nonmotorized system.
- Discuss policies that will help guide the development of future projects and programs.
- Review future High Capacity Transit systems in the City – BRT and light rail - and discuss impacts to residents, business owners and the City.

Thank you for taking the time to fill out this application.

*Volunteers play a vital role in the Shoreline government. **We appreciate your interest.** Staff will select the Bicycle and Pedestrian Advisory Group by August 31, 2009.*
